

LEVY BOCC HIGHEST EARNERS LIST - ROUGH 2020 TREND PROJECTION

** Simple 2020 Trend Projection Through August 6, Total Wages/16 X 26, simplicity and speed of approach will result in some errors for terminated/new employees, and also won't preciecy account for late raises, but is a good, rough approximation.

Despite making up a little more than 1/4 of the FTE count, Department of Public Safety Employees Represent:

- 8 of the Top 10 Highest Paid
- 9 of the Top 12 (Kelly Jerrels amount is distorted due to Separation Leave Payout)
- 13 of the Top 25
- 16 of the Top 30
- 25 of the Top 50
