Wayne,

Mr. Wilbur reviewed the contract and noticed on page 44 the base starting rate for new employees should be in red. The figures appear to be correct. Otherwise everything else seemed to be correct.

I am good with that I just need the language for the agenda itself today. Should it read the same as the last agreement? See below.

“Requesting the Levy County Board of County Commissioners to ratify the Master Collective Bargaining Agreement between Levy County and the IAFF Local 4069 International Association of Fire Fighters Levy County Professional Paramedics and Emergency Technicians”.

Wayne, I am trying see if we can get the signed contract before the Board for ratification by next Tuesdays 18th meeting. So that we can have clarity for Insurance and making pay retroactive for the employees, we also have scheduled open enrolment the following week 24th 25th and 26th. Please let me know what I can do to assist with this.
